Valued Vendor,

DLA Aviation has approved Sesco Industries (CC 0KH97) renewal application as a qualified manufacturer of Class 3 Threaded Fasteners under the Qualified Suppliers List for Manufacturers (QSLM) Program for another 3 years, effective the date of this letter. Keep in mind that audits may be conducted at any time, and qualification is always contingent upon your continual compliance with the *Criteria and Provisions* of the QSLM Program.

As a reminder, your company's status as an approved source will expire on July 26, 2025. A renewal application must be submitted 120 days before the expiration date in order for your application to be processed in a timely manner. If your status expires and no renewal application has been submitted, your company will be removed from the QSL program.

Any questions regarding this matter can be addressed to the QSL team at [AviationQSL@dla.mil](mailto:AviationQSL@dla.mil). You can also browse the DLA QSL website at <https://www.dla.mil/What-DLA-Offers/Consumable-Hardware/Qualified-Suppliers-List/>. The *Criteria and Provisions* for each commodity type within the QSL Program are updated periodically; as such, please review our website prior to submitting a renewal application. Thank you for your participation.

Sincerely,
